About Us

Incorporated in 2021, Venturo Solutions is proudly 100% bumiputera and has emerged as a trusted and invaluable service provider in Kuala Lumpur, Malaysia. Venturo is strategically located in the heart of south east asia. Venturo is rapidly becoming a regional player with track records in Singapore, Thailand apart from Malaysia. In recent development Venturo has expanded its operation to Suez area, Sri Lanka, Mexico and Italy.

As a young dynamically driven company, we are always seeking for change with innovative technology to meet the industry's demands of tomorrow. Our management holds an indisputable reputation for consistently and safely delivering operational excellence to our clients.

**We minimise risks. We reduce downtime. We maximise productivity.
We steer success, offshore and beyond.**

**We craft solutions that
drive value**

Why Venturo?

At Venturo, our goal is to consistently deliver unmatched value-added services. By partnering with leading industry innovators, we strive to set new benchmarks for cutting-edge solutions. Guided by our strong value proposition, a world-class Quality Management System, and a commitment to the highest ESG standards, we are shaping the future of excellence in our field.

Strong value proposition

World-class Quality Management System

High ESG Standards

Quality Management System

At Venturo, we believe that Quality Assurance and Quality Control are vital aspects of our products and services because no degree of project planning, data processing or interpretative insight can compensate for poor quality deliverables, poor data or poor data management.

With emphasis on reputation, Venturo is committed to delivering high quality products and services to our clients worldwide.

Venturo focuses on safe and efficient operations, with emphasis on health, safety and due respect to the environment. All of our personnel are well-trained, qualified and experienced. We aim to provide high quality services, with the latest, most efficient and reliable equipments, according to our customer's requirements.

Venturo aims to conduct its business by adopting a proactive attitude before its customers and stakeholders, meeting its demands quickly and efficiently, offering solutions while identifying and managing risks, observing the requirements of quality, health, safety and environment, complying with the applicable contractual, statutory, regulatory are further relevant requirements, adopting the best management and technology practices for our activities and ensuring our customers a standard of excellence for contracted products and services.

 License Fee : RM 750.00
 Categories of Product/Service : As attached in CATEGORIES OF LICENSE/REGISTRATION.

Special Conditions impose onto this license:-
 Subject to the special conditions as attached.

General requirements of this License are as stated in the next page.

Reminder: License Must Apply Per Kewaja 4 Weeks Before The Expiry Date.

PETRONAS LICENSE GENERAL CONDITIONS

- Company is required to register, obtain a license, permit or authorization from the relevant authority to carry out the service or supply of product or material used in company's operations and activities.
- This license is not transferable to any company/partner.
- This license will be revoked if the company is found to be in the process of liquidation, winding up or dissolution.
- Company shall inform PETRONAS on any changes related to company position such as equity ownership, board of directors and management staff within fourteen (14) days. Failure to do so can result in revocation of License.
- Company should take immediate action to adhere to the special conditions imposed as stated in the appendix of the PETRONAS license certificate and to inform PETRONAS on the progress of this action.
- Company is not allowed to take another company as principal, agent, sub-contractor or otherwise to provide any service or supply of any facility, fittings or equipment on its behalf without prior written consent from PETRONAS.
- Company shall allow PETRONAS representatives for inspection visit / site / company audit and review / copy of documents and interviewing employees and related parties.
- Sub-contract work to another contractor without written permission from PETRONAS.
- Register any contract or tender awarded.
- Entering or accepting contract or tender during the license suspension period.
- Provide false, inaccurate or misleading information.
- Does not follow tender's regulations and ethics including but not only limited to sending poison pen letters, lobbying or bribery.
- Engaged in any improper activities with this License.
- According to Act 9, Petroleum Act 1974, a person who initiates or continues any business or continues providing services as mentioned in Act 9 without a license or do not comply with any condition of the license is committing a crime and can be fined not exceeding RM30,000.00 (thirty thousand Ringgit) or imprisonment for a period not more than two (2) years or both and in respect of each continuous crime, it is subject to further fine of RM1,000.00 (one thousand Ringgit) for every one (1) day or any part of one (1) day which the offence continues after the first conviction is recorded.
- This approval is not an agreement/guarantee that your company will be called to participate in a tender or operation of PETRONAS or its subsidiaries.

- This License must be shown to PETRONAS's officers when it is required for inspection.
- This License is only valid for services and supply of products as stated in the appendix of the PETRONAS license certificate.
- This company can be penalized if in PETRONAS' opinion, it has conducted one or more of the following:
 - Failed to execute the award job until completion.
 - Failed to perform a contractual obligation or any other obligation under the law to partners, principals, agents, sub-contractors and others.
 - Received penalties order.
 - Facing bankruptcy action.
 - Cannot be traced through the last address.
- The company either by itself, through its employees, directors, agents or its employees:
 - Not allow to use the logo of the PETRONAS's oil drop or the word "PETRONAS" or use any mark, logo or words or creating similar look, which resembles the appearance or color trademarks owned or used by PETRONAS or its subsidiaries ("the PETRONAS trademarks") in any form whether in printing materials, website or hard board; and
 - Not allow to perform any act or in any way either directly or indirectly admit that it is a partner or have any connection/relationship with PETRONAS and/or its subsidiaries.
- UNLESS AND EXCEPT company is allowed to use reference [Company] as licensed by PETRONAS [the license] under Act 9 Petroleum Act 1974.
- This License may be revoked, suspended or blacklisted at any time if any of the above conditions, general conditions of PETRONAS license and registration and any other conditions in PETRONAS License and Registration General Conditions are not fulfilled.

OUR SERVICES

Hospitality Services

Our goal is always to offer the best and the most cost-effective catering solutions. Utilizing our own personnel and equipment, we are confident to offer our clients the best catering and associated services.

We hire local experienced and qualified personnel forming excellent catering team. We have sufficient experience on platforms and barges in the O & G industry . It's something we do exceptionally well and we are confident you will not find a better option elsewhere.

WHAT WE OFFER

Offshore and Onshore Catering

Catering & Manpower Supply

V-Medic

Offshore Support Vessel

Venturo Solutions started its business with the provision of specialized vessels to support O&G service providers in Malaysia.

With the critical nature of the oil and gas operations, we pride ourselves on having managed these operations with focus on contract management in accordance to Clients' needs.

Our Management track record shows us being capable of operating a fleet of specialised vessels capable of supporting subsea construction, IRM (Inspection Repair Maintenance), Hook-Up and MCM (Major Construction Maintenance) projects.
